Spaces

[Pratt Institute](#)

NYC, US 2016-2020 Circle Award Honored Graduate
BFA in Interior Architecture

Amber Zhang is an ephemeral constructor, specialized in alternating existing space identity, focusing on using temporarily to simultaneously address culture, heritage and community, achieving a robust social impact with limited resource. Her works span events, exhibitions, installations and public interventions.

Working Experience:

[Founder](#)

NAKED SPACE (Spring 2023-)

Barcelona, Spain

NAKED SPACE is a nomad collective, dedicated to elevating emerging artists and highlighting underrepresented cultural narratives, decentralizing art from traditional centers to local communities
